

Logic Assignment — Put on a coat

Why am I putting on a coat?

Because I am preparing to go outside

How do I properly prepare to go outside?

- What is the weather like outside?
 - It is 40 degrees Fahrenheit, and it is raining.
 - What kind of coat do I need?
 - I would need a raincoat that could also keep me warm in cold weather
 - What else do I need to go outside in the rain
 - An umbrella
 - Rain boots
 - A bag to put my umbrella in
 - How do I put on a raincoat
 - Start by grabbing the collar of the coat with one hand.
 - Take the opposite arm and send it through the corresponding coat sleeve (if you have long sleeves, grab the sleeve with your hand so that it doesn't bunch up).
 - Then take your other arm and put it through the corresponding coat sleeve.
 - Once you have both sleeves on, close the zipper on your coat.
- What do I need to go outside
 - A raincoat
 - An umbrella
 - Rain boots
 - A bag to put my umbrella in
